## Order - EPD Steel/stainless steel facades

I hereby certify that I have read the product definition and the scope for this EPD. Furthermore I certify that my declared product conforms the product description and the scope!

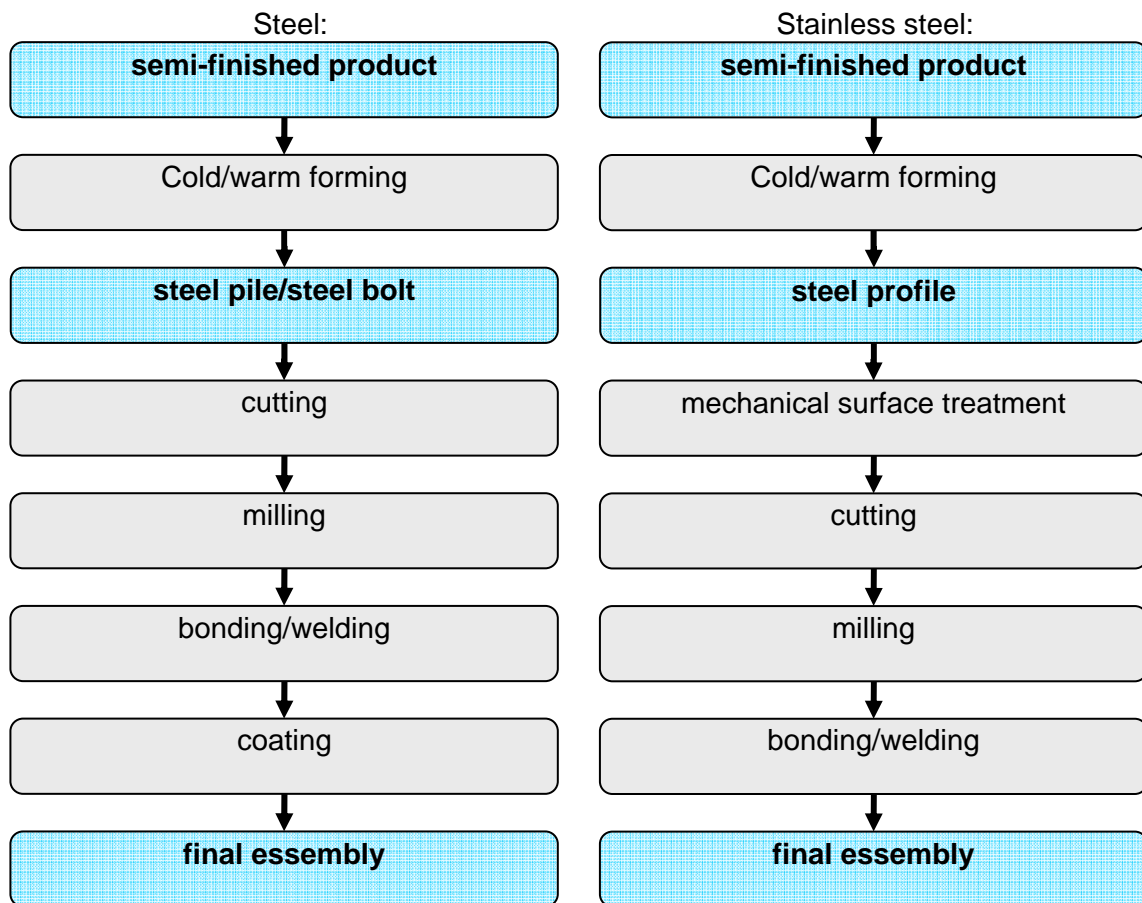

Yes

Note:

This EPD is only valid for products which fulfill the described scope. For the creation of EPDs for additional products, please contact ift Rosenheim.

### Question 2:

#### Product manufacture:

I hereby certify that all my manufacturing processes of the product conforms the described production processes.

Yes

Note:

This EPD is not valid for different production processes. To create an EPD valid for you, please contact the ift Rosenheim.

### Question 3:

#### Production site:

I hereby certify that the manufacturing bases of the product are located in Europe.

Yes

Note:

This EPD is only valid for manufacturing bases in Europe.

For further questions please contact the ift Rosenheim.

### Question 4:

#### Quality assurance (optional):

Would you like to provide information about the quality assurance? Is an external monitoring or quality assurance (eg RAL or similar) available?

E.g. Quality assurance accordingly

- EN 13830
- RAL-GZ 695

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents!

If NO, "No information from the manufacturer" appears in the document.

### Question 5:

#### Management systems (optional):

Are management systems confirmed?

- Quality management system according to DIN ISO 9001
- Environmental management system according to DIN ISO 14001
- Occupational safety management system according to OHSAS 18001
- Energy management system according to DIN ISO 50001

Yes

No

Please note if YES: The information has to be confirmed by the proof of valid documents such as Certificates! Please attach this.

### Question 6:

#### Declarable substances:

Are substances and preparations used, according to the REACH-regulation?

Yes

No

Please note if YES: Appropriated proofs have to be accompanied.

If NO: In accordance with the REACH candidate list, no substances of very high concern are contained.

### Question 7:

#### Processing recommendations, installation (optional):

Would you make processing recommendations or giving details for the assembly of the product for the declared product?

For example: The planning and execution of the installation takes place according to the state of the art.

Yes

No

If NO: "No details from the manufacturer" appears in the document.

By returning the questionnaire, a contract between the creator and the ift Rosenheim GmbH is established. This contract is based on the [general terms and conditions of use](#) for online-services, the [special conditions of use](#) for the preparation of EPDs, the [general terms and conditions of business](#) of the ift-Rosenheim and the "[Conditions and Guidance for the Use of ift Test Documents](#)" (incl. ift-Logo, -pictogram and EPD-Logo). The price for one EPD is 407 € for VFF/ift-members and 613 € for nonmembers. (plus VAT).

All "model EPDs" prepared by ift Rosenheim GmbH are published on the website [www.ift-service.de](http://www.ift-service.de). There is no anonymisation. However, it is a prerequisite that the user/future declaration-holder gives his consent to publish the model-EPD prepared for him prior to the preparation and transmission of the EPDs.

**This consent is given with the dispatched order of the user.** The user confirms that he is authorized to act on behalf of the future declaration-holder. This means that all statements made by the user herein, including this statement, will apply also for and against the future declaration-user.

I hereby confirm the above conditions.
